

CLICK2CART : AN E-COMMERCE APP

Group Name : The Jedi Triforce:

Group Members :

Hari Poorna
Megha Hole
Pavani Seshadri
Mary Deepika Basani

Introduction

- **Objective:** Construct a Sustainable E-Commerce Website for engaged digital marketplace interaction.
- **Focus:**
 - Capitalize on e-commerce potential and growing consumer preference for sustainability.
 - Fill a market gap with a single point e-commerce platform.
 - Promote environmentally responsible buying and refurbished goods.
- **Differentiation:**
 - Unique focus on selling used and refurbished products.
 - Distinguish from existing e-commerce platforms primarily selling new items.
- **Goal:**
 - Engage effectively with clients in the online market.
 - Profit from the expanding e-commerce trend.
 - Cater to consumer demand for low-cost refurbished products.

Methodology

Current Progress

- Built Login Page and logo for the app

The screenshot shows a web browser window with the address bar displaying 'localhost:4200'. The page features a dark header with the 'click2cart' logo (tagline: 'Smart Shop, Green World') and a 'Login' link. The main content area is titled 'Sign in' and contains two input fields: 'Email or mobile phone number' and 'Password' (with a 'Forgot your password?' link). Below these fields are two buttons: a green 'Sign in' button and a teal 'Create an account' button. At the bottom, a line of text states: 'By signing in you are agreeing to our Terms of Use and our Privacy Policy.'

IN PROGRESS TILL FINAL..!!!

Hope to see you soon..!!!
